LAST REFERENCE.

Letter No. 7845/405 dated 16th May 1898 from the Excise Commr in Mysore

The Excise Commr states that the Excise Executive Staff being a defensive & preventive force like the police, it is necessary that the members of the former should also wear a suitable uniform to make them easily recognizable so that the chances of detection of crime they may be feared and not opposed. He also proposes that other officers of the Excise Dept should be required to ~~supply~~ provide themselves with uniform at their own cost and accordingly solicits

Sir,

With reference to the question of putting the officers of the department into uniform, I have the honor to express the opinion that it is a very necessary step to take. The department is an important one with a very large subordinate staff. These men have under the J. T. system, and the Separat shop sale system, to deal direct with the lower classes and it has been our experience in Madras that the absence of an uniform leads to blackmailing of

tappers

toddies, and shop keepers, by outsiders, by false personation. A uniform, moreover, imposes a certain amount of fear, and commands respect and attendance from those, from whom obedience and attendance can be legally demanded. It moreover, makes the department more popular to the public and attracts better men, and the mere wearing of an uniform, makes the men take a little pride in themselves, and makes them more careful and particular in their general behaviour and conduct.

An uniform is particularly useful in the detection of crime, for we found in Madras that the people used to resist the operations of the Abkari officers when they had no uniform, and then plead that they did not know they were public servants; in fact, it was this particular fact more than any

other

other that led "the m_ was in

Letter No 1264/57 dated 29th July 1957 from the Excise Commissioner submitting proposals for a revised scale of Excise Establishment for the adequate working of the tree tax system

~

Order thereon No 6757-8/Estt dated 2nd January 58

In order to enable the Excise Commissioner to satisfactorily work the tree-tax system which has been tentatively introduced into the State and on modification of the proposals submitted in the above, the Government are pleased to sanction the undermentioned additional establishment as a temporary measure till the end of the current official year. Lump sum grants of Rs 1000/- and Rs 3576/- are also sanctioned for travelling allowances and contingencies for the Excise executive staff

present to sanction any permanent increase to the strength or pay of the existing establishment until there are definite satisfactory financial grounds in connection with improved revenue from the free-tax system, to justify such a step.

3. In para 11 (1) of the letter read above, it is proposed to provide a senior accountant for the Excise Commissioner's office. But as the special Superior D.D on Rs 80+15 temporarily sanctioned in Government Proceedings No 4096-97 dt 2nd November 1896 Ex 155 not now required, the services of the present incumbent may be temporarily utilized as office accountant on Rs 80/- a month.

3. I may add that the introduction of the Free-Tax system in its entirety with effect from the year 1898-99 having been sanctioned by Government in regard to Bassein Colony also, it is of utmost importance that Excise officers who enter Coffee Estates to prevent and detect illicit distillation, illicit tapping &c should be in uniform.

it is necessary that the examiner should also wear a suitable uniform to make them easily recognizable, so that at times of detection of crime they may be feared and not opposed. Such uniforms would also tend to prevent people from interfering with their prevention and detection work, and to minimise the cases of assault on them while on duty. In the Madras Presidency petty officers and peons are provided with the uniform at the cost of Government, while all officers above the rank of a petty officer are required to provide themselves with the prescribed uniform at their own cost. The same rule may be appropriately adopted here. The color of khaki drill and turge which I have selected for Excise officials to distinguish them from the Police, is as per accompanying sample. I beg to solicit orders to provide Rs 9000/- for the uniform of the officials drawing a salary of Rs 12 and upwards in the Excise Budget for 1898-99, and to require all other officers to provide themselves with the uniform of the above color at their own

1. Adverting to Government Proceedings No. 2211-12—Ex. 123, dated 6th September 1900, I have the honor to submit for the approval of Government the accompanying Circular Memos which I propose to issue regarding the uniform clothing to be worn by the various classes of the subordinate officers of the Excise Department.

2. The "full dress for special occasions" being very expensive, will not be introduced until further orders, the "ordinary dress" being sufficient for the present.

3. The patterns of the clothing will be submitted on receipt from Messrs. Moses & Co., Madras.

CIRCULAR MEMOS.

1. The Government having approved of the officers of the Department being put into uniform, orders are hereby issued directing that the prescribed uniform shall be worn by all Officers from and after 1st July 1902. Copies of the circular memo prescribing the uniform to be worn by each class of officers are hereby circulated for information and guidance. Sealed patterns of the uniform and accoutrements etc., have been deposited with Messrs. Moses & Co., Mount Road, Madras, from whom alone all officers must obtain their uniform. A list showing the price of each article of uniform is also appended. These prices are credit prices; and any person paying cash at time of order, will receive a reduction of ten per cent in these prices. Those wishing for credit, will be allowed six months' credit from date of orders, and the amount of their account will be deducted monthly from their pay bills in six equal monthly instalments.

2. Inspectors and Assistant Inspectors must provide their uniform at their own cost. The uniform of Sub-Inspectors and peons will be provided at the cost of Government.

3. The wearing of uniform is compulsory, and officers are warned that uniforms etc. purchased from sources other than Messrs. Moses & Co., will not be allowed to be worn.

4 As regards measurements for uniform, officers may apply to Messrs. Moses & Co. for forms of self-measurement and take and submit their own measurements, or if they come to Head-quarters, arrangements will be made to have them measured.
